

A person wearing a traditional Mexican outfit, including a wide-brimmed hat with a red and white band and a white tunic with colorful geometric patterns, stands on a beach. They are holding two ceremonial objects, possibly maracas, in their hands. The background features a sunset over the ocean with waves crashing onto the shore. The sky is filled with soft, colorful clouds in shades of orange, yellow, and blue. The overall scene is serene and evokes a sense of cultural heritage and adventure.

TEMAZCAL: SOUL, MIND & BODY PURIFYING EXPERIENCE

Begin your journey to self-discovery at Conrad Punta de Mita by purifying and healing your mind, body, and soul with a Temazcal ritual that indigenous people from Mexico have been curating for generations.

A Shaman does a cleansing with Copal before each guest enters mother earth's womb; the dome-shaped stone structure. Once everyone is inside sitting in a circle, the entrance is closed with a traditional curtain. The hot lava rocks and herbs create herbal

steam paired with chanting, and meditation as the Shaman goes through the 4-door purification ritual. After this majestic ceremony, enjoy a refreshing swim and refreshments in a specially prepared area. Hasn't your soul already said yes?
