## **T E M A Z C A L :** **SOUL, MIND & BODY PURIFYING EXPERIENCE**

Begin your journey to self-discovery at Conrad Punta de Mita by purifying and healing your mind, body, and soul with a Temazcal ritual that indigenous people from Mexico have been curating for generations.

A Shaman does a cleansing with Copal before each guest enters mother earth's womb; the dome-shaped stone structure. Once everyone is inside sitting in a circle, the entrance is closed with a traditional curtain. The hot lava rocks and herbs create herbal steam paired with chanting, and meditation as the Shaman goes through the 4-door purification ritual. After this majestic ceremony, enjoy a refreshing swim and refreshments in a specially prepared area. Hasn't your soul already said yes?

Capacity: From 2 to 10 persons  
Price per couple: \$720

Please book your experience with a minimum of 24 hrs of anticipation.
